

Terms & Conditions

Interveu provides AI-powered tools and services to help users prepare for job interviews. These services include generating interview questions, providing feedback on answers, and offering guidance based on industry standards. The service does not guarantee any job outcomes.

1. User Responsibilities

Users agree to provide accurate and truthful information when using Interveu services. They must not engage in unlawful, harmful, or disrespectful behavior when interacting with the platform.

Users are responsible for maintaining the confidentiality of their accounts.

2. Privacy and Data Security

Interveu is committed to protecting the privacy and security of user data. Personal data collected will be handled in accordance with our privacy policy, which outlines data collection, storage, and processing practices.

3. Limitation of Liability

Interveu shall not be held liable for any direct, indirect, or incidental damages arising from the use or inability to use its services. This includes but is not limited to loss of employment opportunities, data, or reputation.

Users understand that the service is for educational and preparatory purposes only.

4. Intellectual Property

All content, tools, and materials provided by Interveu are protected by intellectual property laws.

Users may not reproduce, distribute, or modify any content without prior written consent from Interveu.

5. Amendments to Terms and Conditions

Interveu reserves the right to update these terms and conditions at any time. Users will be notified of any significant changes, and continued use of the services after such changes constitutes acceptance of the revised terms.

6. Governing Law

These terms and conditions are governed by and construed in accordance with the laws of India.

Any disputes arising from these terms shall be resolved in the courts of India.
